this

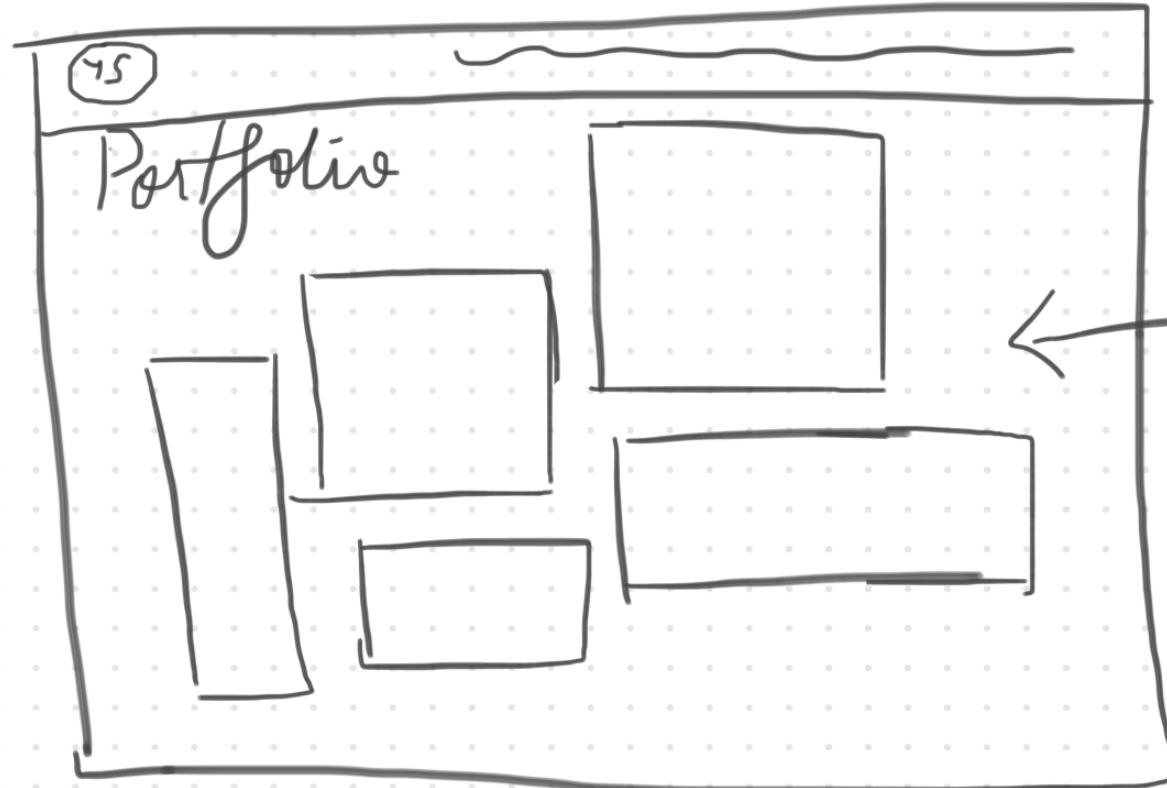

↓  
Scroll  
down

Nav Buttons  
will scroll down to required  
section but do so in a pattern-  
line method

Then pull next page up  
as a scroll being towed up  
with a hook, line as a  
rope

Use  
a grid /  
flexbox

Screen 3

A hand-drawn sketch of a web form on a grid background. The form is enclosed in a rounded rectangle. In the top-left corner, there is a small circle containing the text 'YS'. In the top-right corner, there is a wavy line. The main title of the form is 'Your Thoughts' written in a cursive font. Below the title, there are two input fields. The first is labeled 'Name' and is a single-line text box. The second is labeled 'Thoughts' and is a larger, multi-line text box.
